

THE BON VIVANT

EST.2008

“bon vivant”

noun

pl. bons vi-vants (bô v-vä)

A person with refined taste, especially one who enjoys superb food and drink.

“she was a diplomat, bon vivant, and womanizer par excellence”

Bartenders' Choice

Poppy's Choice

Pilton 'In Touch' 2020

£18

Cider - 750ml

Keeved Apple Cider - Somerset - England - 5.5%

'Keeving' is an artisanal method for producing a naturally sweetened cider. While fermenting, 'In Touch' is left in contact with grape skins for 3 weeks - the skins are then strained off and the cider allowed to referment and mature for 6 months before blending with new season keeved cider to finish.

Angus' Choice

Glen Scotia Victoriana

£8

Whisky

Campbeltown - Bourbon Heavy Char - 54.2%

A 'modern interpretation of a classic Victorian-style Campbeltown malt' - finished in deep charred oak, bottled without filtration.

Sam's Choice

Martinez

£8.5

Cocktail

Hayman's Old Tom & Tanqueray Gins, Cocchi Torino, Noilly Prat, Maraschino, Bitters
stirred - martini - orange twist

Widely regarded as the direct precursor to the Martini, the origins of this cocktail are unclear. Attributed to both the bartender Richelieu - working in a saloon in Martinez, California - and Jerry Thomas during his time at the Occidental Hotel. Following Jerry Thomas' publication of the recipe in 1887, it entered the cocktail canon where it has remained (occasionally in obscurity) to this day.

Dan's Choice

Toronto

£8.5

Cocktail

Bulleit Rye Whiskey, Fernet Branca, Demerara, Bitters
stirred- martini - orange twist

First published in 1922 as the "Fernet Cocktail" by Robert Vermeire (where he noted that "the cocktail is much appreciated by the Canadians of Toronto"), by 1930 it began to appear as the Toronto. A variation of the Old Fashioned and very much the gateway drug into the world of Fernet Branca cocktails.

THE BON VIVANT

EST.2008

The Bon Vivant was opened in September 2008 by Stuart McCluskey with an idea to create an environment that was similar to those found on the continent; where dining is often informal and casual yet of a very high standard.

Our food philosophy is a selection of simple but well executed dishes that focus on flavour and quality produce. We do as the Europeans do, eat small but with thought.

Whatever the occasion, The Bon Vivant aims to cater for all tastes.
